Winner of 26 International Awards, with breathtakingly beautiful photography and music score. You will NEVER think of sharks in the same way again after seeing this fascinating film. Come see the film which features SSCS crew-member, film-maker Rob Stewart and Captain Paul Watson on their hunt for shark finning rings and poachers -see Rob swimming with beautiful sharks.

See "Sharkwater" website
www.sharkwater.com for film clips,
interviews with film-maker Rob Stewart
and listen to the beautiful music score.

All proceeds from the evening will go to
Sea Shepherd Conservation Society
